---

## Personal statement

Creative and results-driven front-end developer with a strong foundation in full-stack web development. Skilled in modern JavaScript frameworks, responsive UI design, and building scalable APIs. Proven experience shipping real-world applications using React, Node.js, and Python. Experienced with automated deployments via Git-based workflows, deploying live apps through GitHub Pages, Render, and with Docker. Passionate about clean code, practical problem-solving, and delivering intuitive user experiences.

---

## Education

- **BSc in Computer Science (1<sup>st</sup>)** - Staffordshire University (2024 - 2025)
  - **Bootcamp Certificate** - Just It Software Development Bootcamp (2025)
  - **Diploma in Computing (Merit)** - Walsall College (2021 - 2024)
- 

## Technologies & Libraries

- **Languages:** JavaScript, Python, SQL, C#
  - **Frontend:** HTML5, CSS3, React, Material UI
  - **Backend:** Node.js, Express.js, Flask
  - **Databases:** MongoDB, MySQL
  - **DevOps:** Docker, Render, GitHub Pages
  - **Version Control:** Git, GitHub
- 

## Key Projects

- **Live Chat App** - [Live Site](#)  
Full-stack real-time chat app using React, Node.js, Express.js, and MongoDB. Features authentication, user search, and live messaging.
- **Hotel Booking POS System** - [Live Site](#)  
Booking platform built with React, TypeScript, Python, and Flask API. Includes full CRUD, dynamic pricing, and Material UI.

- **Employee Management System** - [Live Site](#)  
Admin panel for tracking employee tasks and job progress. Built with React and a MongoDB backend. Includes image upload via Cloudinary. My first React project and key learning experience.
- **Video Downloader** - [Live Site](#)  
Downloads videos from platforms like X and Instagram. Backend built with Flask and yt-dlp for extraction and streaming. Deployed on Render. Minimal HTML frontend for simplicity.
- **CRUD Management System (Desktop App)** – [Repo](#)  
C# desktop app with SQL Express for full CRUD operations. Emphasizes validation and usability.

---

## Work Experience

- **RAC Incident Manager** (03/2025 - 05/2025)  
Coordinated roadside incident responses, ensuring fast, safe support.
- **Asda Team Member** (10/2024 - 01/2025)  
Packed 1400+ orders per shift with 99% accuracy.
- **IKEA Team Member** (07/2023 - 10/2024)  
Managed 200+ items daily in a fast-paced environment.
- **Lidl Warehouse Data Entry** (09/2022 - 01/2023)  
Maintained 98%+ accuracy updating stock databases.
- **Vodafone Call Centre Agent** (01/2019 - 09/2020)  
Resolved 90% of complaints on first call; improved satisfaction.
